Dearest Jack & Lynny,

It was so wonderful to see a parcel from you in our Colorado mail! Thank you so much for taking the time to write & send us your love, even the word of caution regarding the spirit of mammon (money, or an analogy for power, fame, etc.) & our endeavors in Hollywood. We gladly take all your prayers! Thank you!

Perhaps the following will ease your souls reference the book-movie labor & encourage you too:

Susan & I are not going to Hollywood this month. Truthfully, we would never go...but for God, anything. We don't know if He has or will call us to go there physically. The screenwriter who contacted me in 2016 knows ppl there - tho she lives in FL. She will be meeting w/producers this month - completed script in hand (made me cry, a lot! It's so beautiful, glorifying Jesus as my Savior & that of the whole world) - in Hollywood. She is a worshipper of our Christ, over 80 years old & she sees this project as her life's culmination unto God. She has a board of directors...so our Lord sent me/us a "ministry" unto movie, if you will. Took that burden right off our backs & had His strength unto me - the screenwriter -

joyfully & dutifully carry the endeavor. HalleluYah!

As for money, friends, "Ha!" says the missionary!
 As ~~that~~ His love is better than wine (S.O.S. 1:2),
 so His love makes money look very small & insignificant
 to us - it has no wow-power, so thoroughly has our
 Master disciplined us over the years. 😊 It's
 all His, always. Glory be to Him, we do nothing
for money; this has been our way of life for at least
 our 14 years of missionary steps & likely a couple
 before. I don't share these things to brow-beat
 ya, children of the Most High, but to LIFT you
 via knowledge of the AWESOME works of God
 in the here & now! Our ACTS, chapter 29
 I'd like to think 🙏

Our Lord has made money to be a tool in our hand,
 or each dollar likened to a soldier, among an army
 for Salvation. "Let it be so, Lord." And, because
 we love & esteem you, I will keep your card w/ its
 plea for strict sobriety regarding the Gospel close
 at hand. At first perception of crookedness regarding
 the screenwriter, the movie ~~of~~ financial contracts -
 God forbid ~~any~~ any crooked thing - I will revisit
 your card & pray accordingly. Thank you!

Loving Colorado, sharing mi-manna ☺

About 3am this morning I began hearing a Song in my heart, "I know that You are for me" (by Kari Jobe). The dew of heaven falls upon me ~~each morning~~ morning like this, so good is Jesus to me. The Word says, by faith, we know this is God, Songs given in the Spirit. After a while of being in & out of sleep, surrounded w/ the Message of Song, I had a vision:

We had fiery feet, like super-heroes. They seemed to emanate burning bits of "bronze," I heard in the vision. "Good God Almighty!" My time in the Word, later, when I got up took me (I didn't go looking for it) to Jeremiah w/ fire in his bones ☺. Rev. chptr 1 called out to me, where we see Jesus' feet as super-heated... bronze! I learned that this represents steps ordered & filled... ha-ha-Go-God... PENTECOST! Mmm, mm, good. The bronze says stability, strength & permanency. I am in Him & He is in me, may there be harmony in us under Father by His Spirit. As I got into the duties of my day another Song appeared out of the blue (blue represents Righteousness, Biblically), "Where You go, I will follow You." John 10:27 is my trust.

Neat, so much about ordered steps & the benefits thereof. Obadiah (means, "servant of the LORD") faithfully relayed that God would make His children a FIRE

Esau
that consumes "Esau" (lost or hostile people; even
"wild" circumstances in your life) as tho they are
mere dry stubble - fuel for God's fire (Obadiah vs 18).

Hmm, may our ordered steps of the Lord now be
FILLED (w/molten "bronze" matter splashing
about) w/PENTECOST, the Fire of God's Good
Spirit - in Jesus' Name!

We pray for you always, thanking God for your
faithful love, prayers & support - overflowing
with all manner of well-wishes, trusting some
(or all?!) are of Him, by Him, for Him, thru Him
& in Him ☺ Glory to God for your answered prayers
to come +!

... we don't aspire to be super-heroes. We aspire to
keep in step w/Jesus...
