Why does Brother Gil speak Hebrew in some of his letters?

About 6 months ago, Brother Gil began attending Messianic Jewish services. They often use original terms rather than translated ones. For instance, “Yeshua” means Jesus.

The Word (Isaiah 59:14-17) can be applied to America today!!!

“Hosanna!” (a desperate plea for help, mixed perfectly with vibrant faith that He can AND will)

"LOOSE HIM AND LET HIM GO"

(John 11:45)

On Friday 10/21/2015, the first day of Kairos 81. (Kairos Greek for God's Perfect Timing). I was the Inside Team (consisting of Inmates) Co-coordinator and liaison between the Outside Team consisting of Lay Persons, Ministers and Pastors from different Christian denominations. Their goal is to invade prisons with God's Love for four days to Inmates who sign up to participate in these four day crusades centered around Yeshua, the Jewish Messiah and Salvation.

What I'm about to discuss is three Supernatural Divine Interventions of healing BY THE Ruach Ha-Kodesh / Holy Spirit as in the Book of Acts.... The Book of Apostolic Action.

The first healing occurred early Friday afternoon. During a break in the talks, I observed Assemblies of God Minister Manny Maysonet struggling with walking and his face grimaced with pain. I asked him what is your physical problem? He stated he had diabetes, his ankles were swollen and he was in pain walking.

I asked him to sit down. I anointed him with oil got down on my knees and grabbed his ankles after I anointed his feet, while an unknown minister laid hands on him. At this time I began to pray in the Spirit, then I began to declare and decree Healing into him. I cursed the spirit of Diabetes to cease and desist and to leave at this very moment. While praying I felt movement in his ankles and the swelling begin to go away. At this moment the outside Minister began to prophesy over Minister Maysonet and he began to walk, lift his legs, pound his feet and praise the Lord Adonai. He then told me on the next break he was going to get up behind the podium and testify of Yaveh's/God's miraculous Healing Power.

When the next break came around 3:00 P.M. or so Minister Maysonet called me into the Meeting Hall to listen as he gave testimony to Yeshua's Healing Power. The place erupted at which time some outside Ministers moved by Yaveh, gathered around another minister who was wheelchair bound (Reason unknown to me) and commanded him in the name of Yeshua to get up and walk. After several minutes he arose out of the wheelchair and began to walk slowly. Then he grabbed the wheelchair handles and began to push the wheelchair around the Meeting Hall and the place erupted even more all to the Glory of Yaveh.

While the Brother was pushing his wheelchair an Inmate participant who had Leukimia approached me to ask forgiveness for disliking me without a valid reason. He was choked up. I smiled and said of course, we hugged then I anointed him with oil, laid hands on him and cursed the spirit of cancer, hopelessness and death to come out in Yeshua's name. You are trespassing, unwanted and been exposed. You must go. While praying for him the Ruach Ha-Kodesh came all over him. He began to cry and shake. After I prayed he immediately ran out of the building and began throwing up a green slimy substance, otherwise known as cancer, a foul offspring of it's Mother Sin and Father the devil. He was happy, elated and on fire for the next three days of the program. And to this day is alive and well.

One more comment, I would like to make. While praying for this Brother another outside Minister, a Full Gospel Methodist Preacher and also one of our outside sponsors for Evangelism Explosion laid his hand on my shoulder unbeknownst to me. Well, when he came to teach class the following Thursday he testified of all the above to the students but added on more thing that I didn't know.

He said while he laid his hand on my shoulder electricity was flowing through me into him and almost knocked him down. I felt nothing going out of me nor into me but I knew heaven invaded that location and the atmosphere had shifted from a religious gathering to a Holy Ghost outbreak. Many outside Ministers were filled with Joy overflowing.

The Book of Acts is still alive "Smith Wigglesworth stated it's called the Book of Acts by Luke because the Apostles Acted (Acts 1:8)" "God ignites the fire in our heart.... We must keep it burning Mario Murillo"

Signs, wonders and creative miracles have not ceased. We who operate under the Power and Demonstration of Holy Spirit / The Ruach Ha-Kodesh are Acts Chapter 29. We need to get to writing and fulfill Yeshua's command (Matthew 10: 7, 8; Mark 16:17, 18).

May Yeshua / Jesus Jewish name Bless you, empower you for such a time as this. Activate you and set you on Holy Ghost fire. Shalom be with you.

Be encouraged,

WILT THOU BE MADE WHOLE

(John 5:6)

While going to work at the Staff Canteen at Union C. I. I met up with Gregory Vance, #874362, of the Islamic Belief. He was coming back from the Out-Patient Clinic. We got to conversing and he advised me that he was given a sonogram and had been diagnosed with liver cancer and was scheduled to go to North Florida Reception Medical Unit for Biopsy.

I asked him, do you believe God can heal you? And he responded, Yes. And I asked him can I lay hands on you and pray for you for I believe He will heal you? He agreed and willingly accepted my offer. I asked him at anytime in your youth did you ever receive Jesus Christ as your Lord and Savior? and he replied, Yes. That on the streets he was a Methodist Minister who believed in the Gifts of the Spirit. But because the way the Methodist Denomination was headed and what he observed of Christianity in prison, he chose to follow Islam.

Knowing that Jesus is no respecter of persons that he reigns on the just and the unjust, I received this Divine Holy Ghost opportunity with gladness in my heart, to reveal Jehovah-Rophe (that Lord that heals us and makes us whole).

I proceeded to anoint Gregory, lay hands on him and pray the prayer of Faith. I felt a shift in the spiritual atmosphere as the Holy Spirit draped Brother Vance a Spiritual War was occurring and observed Brother Vance visibly moved. He acknowledged he felt the presence of God and something occurred within him.

In December, 2012, Brother Vance was transported to North Florida Reception Center Medical Center for his biopsy. He received his results one month later—negative cancer. He was checked again in 2012 and 2013 and still cancer free four years later in 2017.

To this day Brother Vance gives the testimony to all he meets on how the Lord healed him. All Praise, Honor and Glory to God. This I know He who started a Good Work in Brother Vance will be faithful to complete it. Jesus healing power is still available today to those who want to be made whole. Only believe. All things are possible “IF” you only believe.

FOR WITH GOD NOTHING SHALL BE IMPOSSIBLE

Luke 1:37

- The below listed testimony occurred at Polk C. I. Chapel on a Sunday, during the month of September during a Holy Ghost renewal service conducted by Evangelist Tommie Lee and Browns Memorial Church Of God (C.O.G.) In Christ out of Tampa, Florida.

Whenever Evangelist Tommie Lee and Browns Memorial C.O.G. In Christ visited us the atmosphere in our chapel always shifted and lined up with heaven. This particular Sunday was no different. But you could sense an anointing of His presence begin to intensify as their choir sang and began to bring words of life and encouragement to the men in attendance.

The Service then shifted to the Message of Healing as Evangelist Lee began to put a demand on men's faith to believe for Holy Spirit to heal all manner of sickness. At the closing Evangelist Lee asked whoever needs healing of whatever sickness etc. etc. to come forward.

At this time Brother Simplicio Bison who walked with a very noticeable limp, a cane and two knee braces that you would see football offensive lineman wear, began making his way to the altar.

At this time Evangelist Lee began to scan the congregation and made eye contact with me. Our chapel had three sections of rows. I was seated in the far right, on the last row when all of a sudden he said, "Brother Fernandez, come lay hands on the brother and pray for him." You could hear a pin drop when he said that. Then all of a sudden the outside Guest were filled with visible joy and began to display it with Amens, Hallelujahs and clapping. As I made my way to the front of the sanctuary, talk about being put on the spot, unexpectedly but this is what I live for, the impossible being made possible. The supernatural manifestations of God's Healing Power to explode on the scene when prayer is offered up.

I proceeded to anoint with oil Brother Simplicio's forehead, lay hands on him and pray. When all of a sudden you could literally hear audibly – snapping, crackling and popping in Brother Bison's knees—he began to shake, cry, speak in tongues as great joy filled him. Then he dropped the cane, with hands raised, began running around the sanctuary while hollering and thanking the Lord.

Men all of a sudden began coming forward as the place exploded and Brother Tommie and his group responded and began to pray for men, the place was in an uproar.

To this day I don't remember anything else which occurred which is very unusual for me. But I know this after the service an atmosphere of expectancy rose

up over the compound. Men were more open for prayer and movement of the Holy Spirit in their lives.

Shortly, after that in late October I was transferred to Baker C. I. Another breaking ground for the miraculous. As for Brother Bison he returned back to society.

Jesus said if we believe we would see the Glory of God (John 11:40). My charge to you is "ONLY BELIEVE" "ONLY BELIEVE" and FINISH STRONG.

THE POWER OF THE NAME (Acts 3:1-16)

The below account is a testimony to the Power and Glory of Jesus Name:

I met Mark Graham, #277973, while we were both housed at Union C.I., B-Dorm in October, 2010. As I was conversing with him one day he began to explain his medical history to me while incarcerated.

While housed at Avon Park C.I. during the years of 2006-2007 he was diagnosed with colon cancer at which time he began Chemo and Radiation treatments. The alternative was surgery. Remove 8 inches of his colon and live with a colostomy bag if either treatment was refused the result would be death in 18 months or less.

Mark explained his first six months of treatment. Upon completion the tumor shrunk from a Golf Ball to a Ping Pong Ball size.

Six months later an MRI revealed the treatments were not working. So he began a second set of treatments for 8 months. The results: The tumor was reduced to the size of a Pea but he was weighing 117 lbs. In 2011 he again went for his periodic check-up and MRI, the findings cancer began to grow again.

At this time I asked Mark permission to pray the Prayer of Faith (James 5:13-16) and the Prayer of Agreement (Matthew 18:18-20) with him. In the Name of Jesus to enforce his Covenant right of Healing through Jesus shed blood at Calvary. He agreed, I anointed him with oil, laid hands on him, cursing the foul and unclean spirit of cancer and declaring and decreeing healing into him and over him as cancer was being canceled and abolished out of his body.... In Jesus Name.

I then prayed for the Lord Jesus to baptize him in the fire of the Holy Spirit evidenced by speaking in unknown tongues. Right then and there Mark received his own Pentecost experience praising the Lord in tongues.

In the following days Mark was scheduled to go back to medical for an MRI. After our time of prayer, upon examination, the cancer polyps were smaller than a B.B. pellet. Doctors were astonished and could not believe it. All to the Glory of God. Remember they didn't believe Jesus either how he went about doing good and healing all that were oppressed of the devil and God was with Him (Acts 10:38). **PLEASE NOTE:** Every 18 months Mark receives an MRI and to this day the polyps are undetectable.

Mark then began to attend Bible Study in the dorm with myself and others. During one of our Bible Studies I noticed he became very fidgeted and nervous and all of a sudden got up and said "I got to go". After Study I went to his cell and he disclosed to me approximately three months ago a spirit of claustrophobia had attacked him and was oppressing him. Immediately I anointed him with oil, laid hands on him and through the Power of the Holy Spirit, in the Name of Jesus, I

enforced His covenant of deliverance. He was set free and the Holy Spirit came all over him and he began speaking in tongues and a tremendous joy filled his heart.

The Word of God let's us know "and we shall know the truth and the truth will make us free (John 8:32). Who is the Truth? Jesus is the Truth (John 14:6) and in Him, by Him and through Him we can be made free and delivered from all sin, sickness, oppression, disease and poverty through His Mighty and Powerful Name (Acts 3:16).
